# Oscar Silva-Santiago

Spruce Pine NC 8282784986 orss.formal@gmail.com https://orss.dev

## Summary

Hi my name is Oscar Silva-Santiago. I am a motivated and adaptable Computer Science student at Appalachian State University, eager to apply technical skills and problem-solving abilities in a dynamic environment. Committed to delivering high-quality results while embracing challenges and fostering personal and professional growth.

## Technical Experience

**Quintus**
Java, Maven, JavaFX, Selenium, and Git

Quintus, app that collects flight data by web scraping with selenium. This Project greatly developed my technical skills, managing packages for a project, reading documentation, and UX/UI design. As well as my team working, and critical thinking skills

**Pong2D**
C++,CMake,SFML, and Git

A classic, made a clone of pong. Developed my problem solving skills of fixing bugs, and coding structure to have a more effective workflow.

**Sudoku Solver**
HTML, CSS, JS, and Git
https://webprojects.orss.dev/sudokuSolver/

A web project that allows the user to input a sudoku puzzle, and gives the solution. Used Constraint satisfaction problems algorithm with recursion.

**Not-Great-Not-Drawful**
HTML, CSS, JavaScript/Node
https://github.com/orssdev/Not-Great-Not-Drawful

Built a real-time multiplayer drawing game in a 24-hour hackathon, inspired by Jackbox's Drawful. Used Node.js and Express.js for the backend, with WebSockets. Designed a simple, responsive interface that works across phones and desktops. Gained experience with networking, real-time communication, and managing game state across multiple users.

**Handwritten-Digit-Classifier**
Python, JS
https://github.com/orssdev/Handwritten-Digit-Classifier

Trained a Convolutional Neural Network (CNN) to recognize handwritten digits using the MNIST dataset. Built and trained the model using Python and TensorFlow/Keras. Learned key concepts like convolutional layers, pooling, activation functions, and model evaluation.

## Work Experience

**Appalachian State University** — **Oct 2022 - Present**
Math Tutor — Boone NC

**Western Sizzlin Steak House** — **Feb 2021 - Aug 2024**
Cashier — Spruce Pine

## Education

**Appalachian State University** — **Aug 2022 - Dec 2026**
Appalachian State University — Bachelors

I am an attending Senior at Appalachian State University pursuing a degree in Computer Science with a minor in Mathematics

## Technical Skills

- Python ●●●●●
- Java ●●●●○
- Javascript ●●●●●
- HTML ●●●●●
- CSS ●●●●○
- Linux ●●●●○
- C++ ●●●○○
- C ●●●○○
- JS / Node Js ●●●●○
- MYSQL ●●●○○
- GIT ●●●●●
- Networking ●●●○○
- Artificial Intelligence ●●●○○
- NoSQL ●●●●○

## Languages

- English ●●●●●
- Spanish ●●●●●

## Skills

- Problem Solving
- Critical Thinking
- Team Work
- Adaptable
- Time Management

## Completed Courses

**Data Structures**
CS 3460

**Web Programming (Client and Server Side)**
CS 3440 CS 4435

**Software Engineering**
CS 3667

**Databases**
CS 3430

**Computer Systems**
CS 3481 CS 3482

**Programming Languages**
CS 3490

**Artificial Intelligence**
CS 4440

**Introduction to Theoretical Computer Science**
CS 2490
