Summary

Hi my name is Oscar Silva-Santiago. I am a motivated and adaptable Computer Science student at Appalachian State University, eager to apply technical skills and problem-solving abilities in a dynamic environment. Committed to delivering high-quality results while embracing challenges and fostering personal and professional growth.

Technical Experience

Quintus
Java, Maven, JavaFX, Selenium, and Git

Quintus, app that collects flight data by web scraping with selenium. This Project greatly developed my technical skills, managing packages for a project, reading documentation, and UX/UI design. As well as my team working, and critical thinking skills

Pong2D
C++,CMake,SFML, and Git

A classic, made a clone of pong. Developed my problem solving skills of fixing bugs, and coding structure to have a more effective workflow.

Sudoku Solver
HTML, CSS, JS, and Git
https://webprojects.orss01.dev/sudokuSolver/

A web project that allows the user to input a sudoku puzzle, and gives the solution. Used Constraint satisfaction problems algorithm with recursion.

Work Experience

Appalachian State University — **Oct 2022 - Present**
Math Tutor — Boone NC

Western Sizzlin Steak House — **Feb 2021 - Aug 2024**
Cashier — Spruce Pine

Education

Appalachian State University — **Aug 2022 - Dec 2026**
Appalachian State University — Bachelors

I am an attending Senior at Appalachian State University pursuing a degree in Computer Science with a minor in Mathematics
